No. 1724/284. dated 16.9.50

Sir,

Sub:- Establishment - Temporary - Special Staff for execution of G.M.F. Schemes in South Kanara Division - Sanction requested.

---

The following three schemes have been sanctioned for execution under the Grow More Food Campaign in South Kanara District.

1. Constructing an anicut across Pavanji thodu - Est. Rs.98,882/- C.R. No.II/50-51.

2. Constructing an anicut across Mulki river at Phalimar - Estimate Rs.2,54,230/- C.E.I. No.27/50-51.

3. Restoration of the Ramanchira dam - Estimate Rs.57,242/-.

Tenders for item 1 has been settled and collection of materials started. Tenders for item 2 are being called for and similar action is being taken in respect of item 3 as well.

There are now two Grow More Food Sub Divisions in South Kanara Division, one at Mangalore for investigation and the other at Coondapur both for investigation and execution of a few small schemes. These two subdivisions have sufficient work to do and with their vast jurisdiction it would be impossible for them to take up these additional works for execution. As the value of the works is fairly large and the nature of the works is such that close supervision and guidance are necessary it would be desirable to have a separate Sub Division with 1 supervisor for each work to enable the works to be pushed through expeditiously I therefore request that sanction of Government for the following staff may please be obtained urgently.

1 Sub Divisional Officer.

3 Supervisors.

1 Upper Division Clerk

2 Lower Division Clerks (one for Sub Division and one for Division Office)

1 Draftsman III grade for Division Office.

6 peons (3 for Sub Divisional Office and 3 for Section Offices)

The sanction may be for a period of one year in the first instance.
